WATER SUPPLY (HOT & COLD) PIPING SYSTEM (PP-R)	16

## “ WHO WE ARE ?”

AL- ERTEWAZ was established in 2010, and it is an institution specialized in meeting all construction requirements in the field of sanitary ware and its contracting.

Since its establishment, it has helped in the field of urban renaissance in Kuwait, by meeting the demands of its valued customers with quality and time, providing the requests for various projects, camps, chalets and farms for plastic pipes and fittings.

Established as a specialist plastic supplier, with great aspirations for growth within the Kuwaiti market, of the types we distribute PVC, CPVC, PPR, and technologically advanced water and sanitary fittings, with the aim of becoming the leading distributor in Kuwait for specialized pipes and fittings.

## OUR VISION

Become one of the pioneers in the sanitary ware field in Kuwait.

## Our Values

Teamwork  
Customer Satisfaction  
Effective Communication  
Performance Excellence  
Honesty

## OUR MISSION

Develop AL - ERTEWAZ Establishment, open new branches, and seek distinctive products that would impact upon the sales and profits increase while maintaining quality and proper price to fulfill the customer satisfaction.
